[[forename]],

Thanks for signing up to Graphic Warehouse – Wide Format Trade Print. Hopefully now you've had a chance to play around on the website.

This sample kit contains our most popular materials, they are all unbranded so you can use them as you want.

If there's something bespoke you'd like for your sample kit or you'd like your own branded box to store them in give us a call on [[phone]].

Regards,

[[user.name]]
