

Responding to a Complaint

Customer Complaints 1 - GENERAL QUALITY

- Quality issue
- Quality of Colour
- Edging / Lamination
- Quantity incorrect.

Use this procedure to manage all of the above. Please keep an email trail so there is a record of both handling of the complaint and the customer's response.

1. Quote all Job Number ref or Ticket ref on all correspondence
2. Use the email templates to respond to the customer. Amend to suit the complaint.
3. Always request images of the damage.
4. Check the Quality Control images with Production
5. Once you have assessed the error with Production - Raise a REDO job bag
6. On the REDO job bag TITLE - Record the reason for the REDO - i.e Lamination etc
7. Email the customer with the outcome and advise on the delivery date for the order.
