Interlinked Smoke Detectors/Alarms

There are x10 X-Sense Interlinked smoke detectors. (XS01-WR).

To Test the Alarms

Individual Alarms
To test an individual alarm **press once** the button on the side of the unit.

All Interlinked Alarms
To test the full interlinked system - **press and hold** the button until all other alarm sounders are activated.

Copy of the instructions: Z:\Staff Folder\MANUALS & TRAINING\Fire Alarms
