MaticTrack Manual

The [MaticTrack manual](#) is available here

Matic Manual

The Matic Manual is this website. It's a centralised manual that contains all the documentation for Matic Media Services Limited.

It is accessible from <https://manual.maticmedia.co.uk/>

Logging In

You can log in with the same username and password as the MaticTrack.

Structure

The document structure is made of of shelves which contain books which have chapters and pages.

Books can be in multiple shelves.

Searching

You can search for content via the search bar at the top

Formatting, Naming & Structure Guidelines

- Only Management can create shelves, you will not have permissions for this
- Search for content before adding your own
- Use Headers, Paragraphs and Lists for page structuring
- For manuals use the manual page template

Filesystems

Onedrive

The shared one drive folder is accessible when you log into your Office 365 subscription. Some folders are auto shared

Marketing	Contains all the marketing documents
Strategy (Directors Only)	Contains all the strategy documentation for the business

Internal File Systems

We have two internal file systems hosted within the business.

Unmanaged

Nethdd - This is an unmanaged directory structure i.e. it's managed by humans not computers.

Do not save files in the root directory. They will be deleted.

The Nethdd is accessible via drive Z or url \\192.168.0.10\nethdd\

[You can setup a network map via the instructions here](#)

Managed

The MaticTrack automatically manages folder structure for Customers, Quotes and Projects i.e. when a customer is created it automatically creates a folder.

DO NOT DELETE, EDIT OR MOVE ANY AUTO GENERATED FOLDER, IT WILL JUST BE REGENERATED

The ROOT folders are available here:

Folder	Drive Letter	URL
Customers	L	\\192.168.0.10\ROOT\CUSTOMERS

Quotes	Q	\\192.168.0.10\ROOT\QUOTES
Projects	P	\\192.168.0.10\ROOT\PROJECTS
Matic Media Services Ltd	M	\\192.168.0.10\ROOT\CUSTOMERS\M\ Matic Media Services Ltd

[You can setup a network map via the instructions here](#)

The Vault

The vault is our shared password manager.

[Instructions on how to use it can be found here.](#)
